Preventing Discrimination, Harassment, and Bullying Policy

The National Academies of Sciences, Engineering, and Medicine are committed to the principles of diversity, inclusion, integrity, civility, and respect in all of our activities. We look to you to be a partner in this commitment by helping us to maintain a professional and cordial environment. **All forms of discrimination, harassment, and bullying are prohibited in any National Academies of Sciences, Engineering, and Medicine activity.** This policy applies to all participants in all settings and locations in which National Academies of Sciences, Engineering, and Medicine work and activities are conducted, including committee meetings, workshops, conferences, and other work and social functions where employees, volunteers, sponsors, vendors, or guests are present. Please review the full policy before continuing.

Attendee Personal Release

By attending this event, you consent to your voice, image, and likeness being recorded for use and dissemination, without payment of any kind for such use, in any language, format, or media now known or later devised, and you release the National Academy of Sciences from any and all claims, liability, or damages arising from any such use. NAS will proceed in reliance upon such consent and release. If you do not consent to the foregoing, please do not attend the event.

* ☐ I acknowledge that I have read, understand, and agree to the above policies and agreements.
